

# Compétences

Tableaux récapitulatifs pour obtenir et améliorer le niveau des compétences de vos personnages. Au niveau basique le requis indique la guilde ou le magasin qui permet d'apprendre la compétence. Les prix sont indicatifs, ils représentent le prix pour une réputation neutre sans compétence de marchandage (0, cf. *Astuces* pour plus de détails). Les prix changent en effet suivant votre réputation et votre habilité de marchandage. Ceci est uniquement valable pour le niveau de base. Dans la case "qui ?", vous trouvez le niveau de promotion minimum que doit avoir une classe pour y accéder.
